

What Are Stormwater Retention Credits?

Property owners and developers in many municipalities elect to meet part of a regulated project's stormwater management obligation by using Stormwater Retention Credits. SRCs are often cheaper, easier, and greener than complying entirely on-site.

How do I Purchase SRCs from Rainplan?

Find us at myrainplan.com/srcs/ or src@rainplan.com to receive a price quote and SRC purchase contract.

Payment is due within three business days after contract signing via credit card (VISA/Mastercard), check, or ACH/wire transfer. All payments are accepted in USD.

SRCs are electronically delivered to the buyer's municipal account within three business days after Rainplan receives payment.

SRC Cancellation policy

An order for SRCs may be canceled at any time prior to signing the purchase contract. There is no charge for cancellations.

SRC Refund policy

If SRCs are not transferred to a buyer's account within 5 days of Rainplan receiving payment (for example, SRC transfer is not approved by the municipality), Rainplan will immediately refund any payments.

Privacy Policy

The Rainplan privacy policy can be found [here](#).
